Report description:

Strict government restrictions on events and the numbers of people allowed to gather led to the cancellation of major life events such as weddings in 2020, with this having a hugely detrimental impact on sales of jewellery. Many consumers had already paid suppliers and event organisers for their special events prior to the onset of the pandemic and as restrictions began to ease during 2021 thanks in the main to the roll out of vaccines from March onwards, celebrations such as birthdays, weddings...

Euromonitor International's Jewellery in Philippines report offers a comprehensive guide to the size and shape of the market at a national level.
