Report description:

In response to the COVID-19 pandemic, the Department of Education (government department that covers Primary and Secondary education) and Commission of Higher Education (government department that covers Tertiary and Post-graduate education) declared that online study would be in place during 2020 and in 2021 until it was safe for all to return to face-to-face learning. The Philippines finally took the decision to reopen schools in August 2022, with schools having been closed for over two years...

Euromonitor International's Writing Instruments in Philippines report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (2017-2021), allowing you to identify the sectors driving growth.
