### **Report description:**

While in 2022 Pakistan largely put the disruptions caused by COVID-19 behind it, there were other challenges. Spiralling inflation, massive devaluation of the Pakistani rupee against major world currencies and catastrophic floods, which left hundreds of thousands in need of emergency aid, all led to a poor economic picture. However, despite the difficult economic conditions, analgesics registered moderate constant value growth, as the pandemic has increased awareness of the benefits of analgesic...
