### **Report description:**

While in 2022 Pakistan largely put the disruptions caused by COVID-19 behind it, there were other challenges. Massive devaluation of the Pakistani rupee against major world currencies and spiralling inflation, partly caused by the energy crisis stemming from the war in Ukraine, led to a dismal economic picture. In addition, catastrophic floods left hundreds of thousands in need of emergency aid. However, despite the difficult economic conditions, dermatologicals registered healthy constant value...
