Report description:

While in 2022 Pakistan largely put the disruptions caused by COVID-19 behind it, there were other challenges. Spiralling inflation, massive devaluation of the Pakistani rupee against major world currencies and catastrophic floods, which left hundreds of thousands in need of emergency aid, all led to a poor economic picture. However, despite the difficult economic conditions, digestive remedies registered healthy constant value growth. Part of the reason for this growth is that many Pakistanis ar...
