Report description:

Hats/caps was the most dynamic performer within apparel accessories in volume growth terms in 2022. Demand was bolstered by rising health awareness, with more consumers purchasing headwear items to protect their skin and hair from the harmful effects of the sun's UV rays. The positive influence this trend was reinforced by a series of heatwaves during the summer. Similarly, with increased health-consciousness arising from concerns surrounding COVID-19 prompting Hungarians to try to lead more phy...
