### **Report description:**

2022 saw further strong growth in lodging, the second consecutive year that the category recorded a robust recovery from the impact of the COVID-19 pandemic. Demand for lodging was heavily negatively affected by the restrictions imposed on the travel and tourism and hospitality industries at the peak of the COVID-19 pandemic during 2020. However, since 2021 the category has mounted a strong recovery as occupancy rates rose steadily, despite the opening new hotels. These new openings have been un...
