Report description:

Since the arrival of the COVID-19 pandemic in 2020, the dynamic of consumers feeding themselves throughout the day has experienced some interesting changes. With the strong lockdowns and COVID-19 restrictions in 2020, the foodservice channel shut down almost completely and people were forced to stay at home, resulting in them having to prepare their own meals or choosing to consume ready meals during that period. Consequently, ready meals benefited significantly from the impact of the pandemic,...
