### **Report description:**

Sauces, dips and condiments is set to see a decline in retail volume terms in 2022. This is partly due to consumers returning to more normal routines with people spending more time outside of the home and thus cooking fewer meals at home. Volume sales are also suffering due to soaring prices amid inflationary pressures, which have led many consumers to curb their spending on non-essential products. In the case of sauces, dips, and condiments it has also been observed that Colombians are moving t...
