Report description:

The disruption caused by the pandemic has led to positive retail demand for sauces, dips and condiments in New Zealand. The impact of the pandemic continued to be felt in 2022 - while the country is no longer enforcing hard lockdowns, it remained under the COVID-19 Protection Framework at a Yellow Light setting for much of the year, which has created certain restrictions, especially with the increase in Omicron infection rates during the winter months, combined with rising incidence of influenza...
