- Multiple User License (Global) €2475.00

### **Report description:**

Air care products witnessed a decrease in retail volume sales during 2022 due to reduced demand for spray/aerosol air fresheners containing disinfectants. These products saw exceptional growth in 2020, driven by more people spending time at home as they self-isolated in lockdown. Demand for products with disinfection functions drove sales, but this was to the detriment of sprays with fragrance properties. The greater sense of security felt in 2022, largely promoted by Bolivia's vaccinated popula...

Euromonitor International's Air Care in Bolivia market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues.
