- Multiple User License (Global) €2475.00

Report description:

Air care was the best performing home care product in 2022, with healthy current value and volume growth. Part of the reason for the increasing popularity of air care is that urban areas are becoming increasingly crowded, as a result of people fleeing conflict, and waste management and sanitation systems are unable to cope with the increasing numbers. This is leading to increasing foul odours in the cities, which is in turn driving volume sales of air care.

Euromonitor International's Air Care in Cameroon market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts to 2027 illustrate how the market is set to change.

Product coverage: Candle Air Fresheners, Car Air Fresheners, Electric Air Fresheners, Gel Air Fresheners, Liquid Air Fresheners, Other Air Care, Spray/Aerosol Air Fresheners.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
