### **Report description:**

All product areas of apparel accessories during the pandemic, with the exception of other apparel accessories, witnessed declining demand as consumers spent more time at home and so did not need protection from the cold as frequently. Similarly, apart from other apparel accessories, all product areas returned to positive growth in 2021, which continued into 2022. Performances in 2021 were slightly influenced by stricter restrictions at the end of the year as the infection rate increased and Roma...
