Report description:

Demand patterns are steadily returning to normal levels following the COVID-19 pandemic. Retail volume and current value sales declined in 2022 following dynamic double-figure growth in 2020. Demand has been driven by consumers seeking the most effective disinfectants at the best possible prices, two factors that are a direct result of the COVID-19 pandemic. Another key issue facing bleach is the high level of illegal smuggling into Bolivia. Major players did not increase the price of bleach in...
