### **Report description:**

Charge cards are not extensively used by the Taiwanese, remaining a relatively niche area in terms of card payments, accounting for a tiny fraction of overall card transactions. Users of charge cards must settle their outstanding balance by the end of the billing month, meaning they have less flexibility than credit cards. As such the number of charge cards in circulation in Taiwan is small and shrinking. COVID-19 dealt a further blow to charge card transactions in terms of both commercial and p...
