### **Report description:**

The Netherlands has seen its society reopen in 2022 encouraging consumers to switch spending from goods to services, both online and offline. Consumers are paying for services online via apps, including transportation, food delivery, parking, and often use credit cards Visa or MasterCard (and sometimes AMEX) as the payment method. As a Visa/Mastercard debit card does not yet exist in the Netherlands, more and more consumers are using their credit cards to pay for services through apps and other...
