### **Report description:**

Debit cards remained the most popular type of financial card in Sweden in 2022, in terms of the number of cards in circulation, and current value and volume transactions. At the start of the review period, the combined number of credit and charge cards was close to that of debit cards, but the gap has widened in recent years, as the latter is increasingly viewed as an everyday payment method in the country. Indeed, there is almost universal merchant acceptance of both Mastercard and Visa debit c...
