Report description:

Debit card transactions are seeing healthy growth in 2022, both in terms of volume and value. These cards are commonly used for high frequency low-value transactions although the principal function of debit cards is for cash withdrawal at ATMs in Taiwan. The government has been driving convenience in ATM usage through the integration of banking systems allowing debit cardholders to withdraw cash from any ATM in the country. However, opening a debit account in Taiwan still requires face-to-face v...
