Report description:

While dishwashing registered double-digit value growth, volume growth was minimal and this was in spite of population growth. Global inflationary pressures, mainly due to the war in Ukraine, which caused an energy crisis as well as shortages in certain products, fed into higher retail prices and dampened volume demand somewhat. All the same, a rebound in oil prices benefitted the economy and protected Algerian consumers to a certain degree. Automatic dishwashing registered the highest current va...

Euromonitor International's Dishwashing in Algeria market report offers a comprehensive guide to the size and shape of the market at a national level.
