### **Report description:**

Financial cards and payments in Argentina has continued to expand at an impressive pace in terms of total current value transactions in 2022, with growth set to surpass that recorded in 2021. Its performance in this regard has been distorted by high inflation, an entrenched problem in the domestic economy that has been exacerbated by the impact of the global recovery from COVID-19 and the wider geopolitical consequences of Russia's invasion of Ukraine. However, growth in total volume transaction...
