### **Report description:**

Overall, financial cards are expected to see growth in both cards in circulation and transaction value in 2022. However, while current value growth is expected to be high, constant value growth will be much lower. In 2022, soaring oil prices caused by the war in Ukraine have benefitted the economy, but global inflation is also feeding into high inflation in Colombia, with a strong US dollar compounding the situation and making imports very expensive. As a consequence, interest rates are also inc...
