Report description:

Owing to the Saudi Vision 2030, Saudi Arabia had already been taking steps to transform into a cashless society, even before the COVID-19 pandemic hit. With the pandemic measures greatly supporting this cause, Saudi Arabia has witnessed significant progression in digital payments, as a growing number of consumers have started using card payments on as many occasions as possible. Additionally, the government's reinforcement of an improving arrangement in terms of digital payment policies and opti...
