Report description:

When it came to innovation and new product development within laundry detergents at the end of the review period there was a strong focus on capsules and the offer of new aromas, as well as more sustainable products. This was the case with Henkel which launched Dixan Trio Caps in 2021 with this new product positioned as convenient thanks to its pre-dosed capsule format and the fact there is no need to separate the different types of clothes and colours. In 2022, the company bet on more new produ...
