Report description:

In 2022, pre-paid cards continued to be one of the most popular types of financial card in Italy, particularly in the case of young adults or those without a bank account. However, as with other financial cards, the rise of contactless payments expanded usage of pre-paid cards to a wider demographic, as consumers looked for more hygienic, safe and convenient payment methods, in the wake of the COVID-19 pandemic. Having seen dynamic growth in 2021, in terms of both the number and value of transac...
