### **Report description:**

On 1 November 2021, a considerable tax was placed on disposable plasticware: NIS11 per kg of single-use plastic plates and utensils. This tax nearly doubled the price of single-use plasticware overnight, as the Israeli Government sought to reduce the consumption of single-use plastic, which has received growing publicity for its detrimental effect on the environment. Prior to the tax coming into effect, many local consumers stockpiled plasticware. Subsequently, over the first three months of the...
