Report description:

Although hand dishwashing remained the most popular format within dishwashing in the United Arab Emirates at the end of the review period, automatic dishwashing continued to enjoy increasing demand in 2022. Sales were driven by the rising expatriate community, in addition to the further penetration rate of dishwashers in local households in line with demand for convenience amid busier lifestyles. The search for time-saving solutions to household chores has accelerated since home isolation and hy...

Euromonitor International's Dishwashing in United Arab Emirates market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth.
