### **Report description:**

Laundry care enjoyed exceptionally strong growth in retail value terms in 2022. Inflationary pressures are a key contributor to this strong value increase, while volume sales saw more modest growth during the year. Overall, increases in the cost of raw materials, shipping costs, labour wages and energy have led to substantial price increases in all home care categories, including laundry care. As a consequence, more consumers traded down to lower priced brands, while package downsizing, or shrin...
