### **Report description:**

Plant-based dairy products in Bolivia are largely dominated by soy drinks, while plant-based yoghurt and plant-based cheese have negligible retail value and volume sales. Plant-based dairy is registering relatively healthy retail value sales growth in 2022, with this category performing well in comparison with other drinking milk and yoghurt products. The increase in demand is primarily due to a number of Bolivian consumers seeking an alternative to traditional cow's milk as they are either unab...
