### **Report description:**

Vegan brand Violife launched in Guatemala in 2022 although distribution is focused on premium outlets in cities. Nevertheless, a wide range of offerings are available including grated, sliced, and spreadable cheese presentations. The launch of this premium brand arrived without major advertising support, but it is the first vegan cheese brand with a wide portfolio to be launched in Guatemala. Manufacturers will be closely following the brands performance to see how consumers adapt to the brand.
