### **Report description:**

While polishes registered double-digit current value growth, volume sales actually fell slightly, as continuing soaring inflation hit consumer purchasing power. The background to this is that the Nigerian oil industry did not benefit as much as it could have from elevated global oil prices in 2022, as output was low due to infrastructure deficiencies and on the other hand, the economy was negatively impacted by elevated global gas and food prices. In addition, the naira also devalued, making man...
