Report description:

Hungarians have a growing need for convenience products when cleaning the home, which is driving preference for products that are easy to use and more effective. Wipes are gaining consumer's attention as they offer consumers a quick and easy solution for cleaning various surfaces. Consequently, manufacturers have expanded product choice with retailers devoting more shelf space to them. This is particularly true of smaller categories including furniture and toilet care wipes, in which consumers a...

Euromonitor International's Surface Care in Hungary market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth.
