Report description:

Growth was polarised within surface care in 2022 sales declining in retail volume terms but seeing strong growth in current value terms. This polarised performance was largely tied to significant price increases across most categories within surface care. Manufacturers, distributors and retailers saw a sharp rise in costs in 2022, with the cost of energy, materials, labour, and logistics, all rocketing. Sweden and the wider world faced numerous challenges from Russia's invasion of Ukraine to Chi...
