Report description:

International players in laundry care experienced supply difficulties at the beginning of 2022, with some products out of stock due to geopolitical changes in the world. The price of foreign brands witnessed a significant increase due to rising logistical and production costs following the start of the war in Ukraine. Consequently, some companies began to import cheap dishwashing products of Turkish origin into Uzbekistan, commonly unbranded. The devaluation of the Turkish lira in 2022 made Turk...

Euromonitor International's Dishwashing in Uzbekistan market report offers a comprehensive guide to the size and shape of the market at a national level.
