- Multiple User License (Global) €6600.00

Report description:

As an affluent country largely populated by people with cultural and religious imperatives to adhere to strict hygiene practices, Kuwait offers huge opportunities for home care brands. However, sales are under pressure due to the recent departure of many expatriates, who comprise the majority in Kuwait, due to narrowing employment opportunities for foreigners. While the COVID-19 pandemic made consumers more hygiene conscious, the decreasing consumer base is tempering sales growth in 2022.

Euromonitor International's Home Care in Kuwait market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts to 2027 illustrate how the market is set to change.

Product coverage: Air Care, Bleach, Dishwashing, Home Insecticides, Laundry Care, Polishes, Surface Care, Toilet Care.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?

- * Get a detailed picture of the Home Care market;
- * Pinpoint growth sectors and identify factors driving change;
- * Understand the competitive environment, the market's major players and leading brands;
- * Use five-year forecasts to assess how the market is predicted to develop.
