Report description:

Off-trade volume sales of sports drinks are set to continue to rise in 2022. However, the ingredients in sports drinks are increasingly highly scrutinised by Chinese consumers, who require more transparency when it comes to sports drinks. Therefore, offering a clean formula is becoming a significant factor for sports drinks players to avoid homogenisation in the market. The consumer preference for sugar and calorie reduction has become more evident, and the top demand in terms of clean formulati...
