- Multiple User License (Global) €3300.00

Report description:

After surface care sales spiked in Latin America in 2020 due to the pandemic, growth slowed in 2021, before slipping into decline in 2022, albeit remaining at higher levels than pre-pandemic. Industry players, retailers and consumers are now struggling with rising costs/prices, with many shoppers looking to buy through promotions and special offers, which is impacting growth in real value terms. Nevertheless, increasing sales are currently expected for surface care over the forecast period.

Euromonitor International's Surface Care in Latin America global briefing offers an insight into to the size and shape of the Home Care market, highlights buzz topics, emerging regions, countries and categories as well as pressing industry issues and white spaces. It identifies the opportunity zones within home care, analyses leading companies and brands and offers strategic analysis of major factors influencing the market - be they new product developments, packaging/ format /ingredients innovations, economic/lifestyle/environmental influences, distribution or retail pricing issues. Forecasts illustrate how the market is set to change and criteria for success.

Product coverage: Air Care, Bleach, Dishwashing, Home Insecticides, Laundry Care, Polishes, Surface Care, Toilet Care.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
