### **Report description:**

The recovery of consumer foodservice from the Coronavirus (COVID-19) crisis continued in 2022, and overall current value sales exceeded the pre-pandemic 2019 level for the first time. In March 2022, all COVID-19 restrictions were lifted. As such, consumers returned to foodservice establishments in higher numbers and greater frequency as they were keen to socialise and experience public life again. While unit prices rose, many consumers could also access money savings as they had had fewer avenue...
