### **AVAILABLE LICENSES:**

- Single User Licence €825.00
- Multiple User License (1 Site) €1650.00
- Multiple User License (Global) €2475.00

### **Report description:**

Dishwashing sales declined for the first time in more than a decade in 2021 in retail volume terms. As restrictions were eased, local consumers spent less time at home, and thus prepared and ate fewer meals there. Additionally, time-pressed consumers who had to work remotely from home were more likely to order takeaway or delivery services from foodservice outlets, thereby reducing the usage of various cookware and utensils.

Euromonitor International's Dishwashing in Philippines market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts to 2027 illustrate how the market is set to change.

Product coverage: Automatic Dishwashing, Hand Dishwashing.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
