Report description:

A variety of domestic and global factors meant that the operating environment for full-service restaurants in the UK was challenging in 2022. These impacted the ongoing recovery from the pandemic and meant that the situation for both chained and independent restaurants remained difficult throughout the year. Inflationary pressures had a significant impact - indeed in the UK, inflation reached 10% during the year, a rate not seen for decades. This was due to a variety of reasons, including the wa...
