### **Report description:**

2022 was an interesting year for full-service restaurants in Turkey as the huge changes seen in the economic environment resulted in a dramatically different scenario unfolding for the category over the course of the year. Full-service restaurants started the year on the front foot, with both value sales and transactions volume seeming to be heading in the right direction as the strong recovery seen in the category during 2021 continued into 2022. Nevertheless, the economic conditions in Turkey...
