- Multiple User License (Global) €2475.00

### **Report description:**

Soaring inflation in 2022 made price a priority for most consumers in Costa Rica when it came to laundry care products, with purchasing decisions directed primarily by cost rather than by product promises of performance in terms of antibacterial efficacy, pleasant odour or colour preservation, for example. Costa Rican consumers were focused on the search for low-cost products and retailers offering attractive deals and discounts with little regard for brand names or image. Private label players...

Euromonitor International's Laundry Care in Costa Rica market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues.
