### **Report description:**

In 2022, away-from-home tissue and hygiene saw a continued recovery in retail volume and value sales. This has been triggered by the full removal of all restrictive measures related to the COVID-19 pandemic, as of May 2022. Since this time, public establishments as well as hotels, restaurants and schools have been able to function normally, which has contributed to stronger growth in away-from-home tissue and hygiene sales for the full year.
