Report description:

Retail tissue witnessed retail volume growth across categories in 2022, albeit at slower rates than in 2021. Retail current value growth remained high as prices continued to rise amid an inflationary economic climate. Having witnessed the biggest declines in 2020, tablecloths continued to post the highest retail volume and current value growth in 2022. Paper towels continued to perform well as these products are increasingly considered a necessity in the home due to their wide range of applicati...
