Report description:

The sanitary protection category remained resilient in 2022 with retail volume sales rising despite high inflation. The Dominican Republic has experienced very high inflation levels in 2021 and 2022. In addition, the country has seen a rare but rapid appreciation of its currency vis-a-vis the US dollar, which has hit many consumers very hard. In response, consumers are looking for ways to reduce expenditure on essential goods such as sanitary protection. Nevertheless, current value growth reache...
