Report description:

In 2022, though there was a double-digit growth in current value sales of tissue and hygiene, volume growth was much more modest, though still healthy. The war in Ukraine had a significant impact, with the resultant energy crisis leading to soaring inflation and dampening volume sales and leading to a degree of trading down. That being said over 100,000 Ukrainian refugees, as well as over 100,000 Russians arrived in Georgia in 2022, in order to escape the war, and this boosted volume sales, in p...
