## Report description:

Wipes recorded double-digit retail value growth in 2022, directly influenced by impact of high inflation, driving up prices in players' portfolios from baby wipes to facial cleansing wipes. The annual inflation rate reached close to 10% in Brazil, although depending on the region and distribution channel, price increases were often higher. Due to the post-pandemic scenario with an easing of restrictions, consumer demand for wipes in out-of-home situations positively influenced volume sales, incl...
