### **Report description:**

While wipes offer a convenient and hygienic cleaning solution, nearly all are plastics-based and there is a big push in New Zealand to reduce plastic waste. While this is most prominently seen in the removal of single-use plastic bags, this has also influenced consumer perceptions toward cleaning wipes. The environmental impact of wipes has long garnered media attention, with the validity of claims that certain wipes are flushable being called into question by local wastewater agencies due to 'f...
