Report description:

Away-from-home consists solely of away-from-tissue, with toilet paper and napkins being the most popular products, followed by paper towels and mainly consumed by the hospitality industry. With society fully opened up, post pandemic lockdowns, away-from tissue registered a healthy increase in volume sales. However, with inflation running high, due to the energy crisis arising from the war in Ukraine, hospitality operators were forced to lower quality - for instance purchasing 2-ply instead of 3-...
