### **Report description:**

Mastercard Inc has stood as the third largest operator of payment cards for many years. The company, far from just a global player in the card space, has diversified to B2B and P2P payments, API integration, Buy Now Pay Later, and other realms. Shrewd investments should keep the company near the top of global payment practices for years to come, even as the industry faces regulation, economic challenges, and new competitors from the fintech and crypto spaces.

Euromonitor International's Mastercard Inc in Consumer Finance (World) Company Profile offers detailed strategic analysis of the company's business, examining its performance in the Consumer Finance industry. The report examines company shares by region and sector, product developments, market and distribution strategies, challenges from the competition and future prospects. Use it to understand opportunities and threats facing the business and the factors driving success.

Product coverage: Consumer Lending, Financial Cards and Payments.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
