### **Report description:**

The volume sales of nappies/diapers fell at a considerable rate in 2022. As in most countries in the world, the birth rate in Uruguay has been in decline over the past decade. However, in the particular case of Uruguay, the number of births has also fallen because the total population remains stable or is growing at a very slow pace. For instance, while the total population of Argentina increased by 8% between 2012 and 2022, the number of inhabitants in Uruguay only climbed 1.4% in the same peri...
